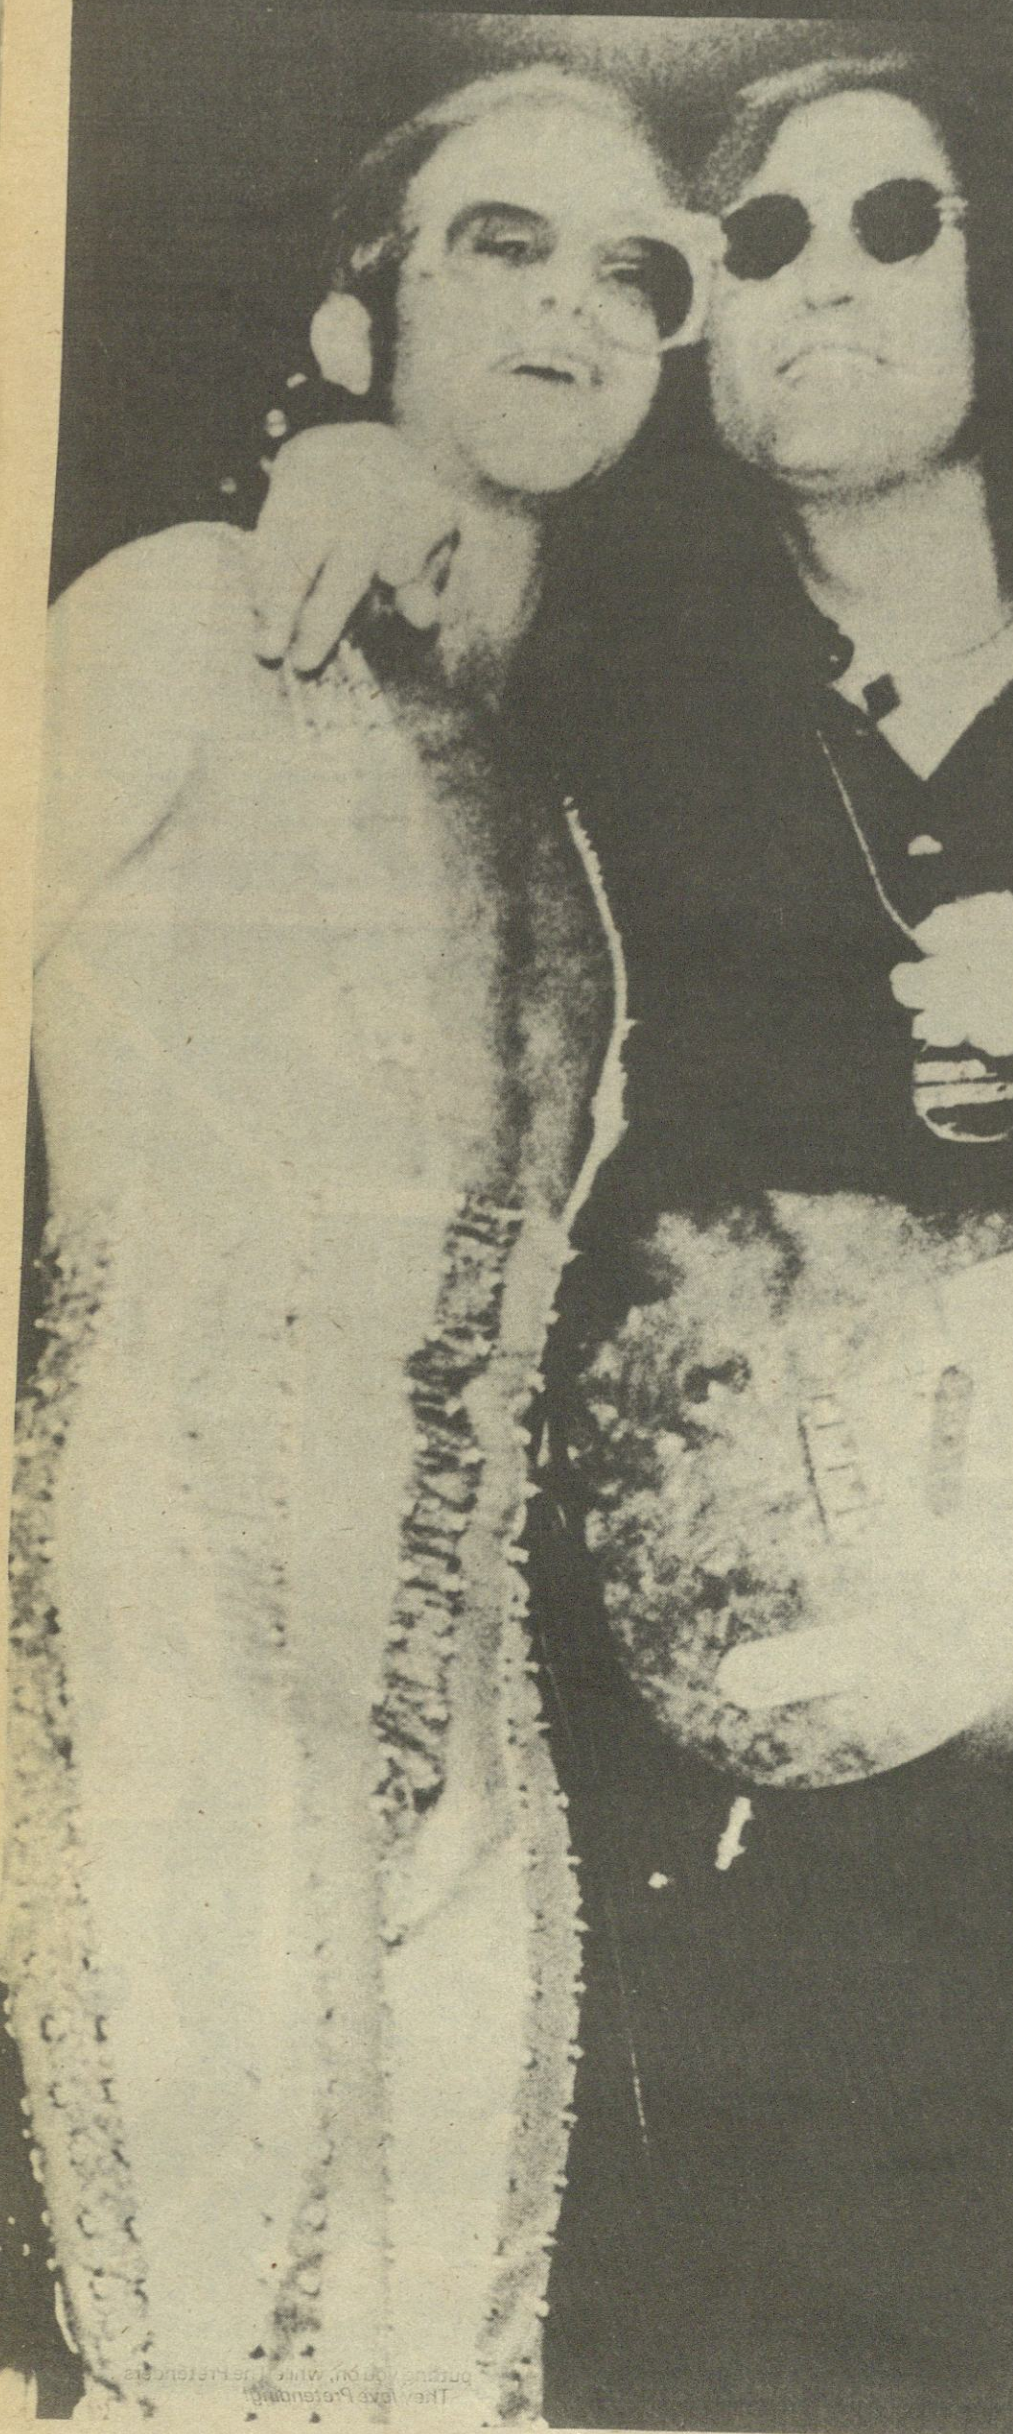
JOHN ELTON LENNON



28th November 1974...

...was Thanksgiving Day as well as the date that an Elton John concert at New York's Madison Square Garden turned into a very special event. Towards the end of the evening Elton was joined onstage by close friend and fellow musician John Lennon. Together they performed three numbers – 'Whatever Gets You Through The Night', 'Lucy In The Sky With Diamonds' and 'I Saw Her Standing There'. Lennon's performance of the last number surprised many as he has never been known to sing a McCartney song before. This was the last concert appearance by John Lennon.
